

BANNER DESIGN 2018

Calling all artists! Submissions are now being accepted for the Gibsons Banner designs. The designs will be juried and 6 designs will be selected for display in Gibsons.

Designs must fit a certain criteria:

- Design should be simple, not detailed. Bold, commanding designs done in graphic format are attractive and eye catching.
- Use only the 7 colours specified. No mixing or shading allowed.
- Advertising is not allowed.
- The completed banner size is 25" by 60". The design needs to be drawn in the vertical format. The top and bottom sleeves are 3.5" each and it is important to keep design details away from the stitch lines. Solid or blank colour can be taken to the top and bottom of the finished banner.

Deadline for submissions is February 1st, 2018. Submissions can be dropped off at the Town of Gibsons Office, 474 South Fletcher. After hours drop off may be put in the mail slot located at the front lower entrance. Designs will be juried in February and artists notified if their design has been accepted. For further information contact Wendy Gilbertson 604 886 8587.
