

Dear neighbour,

RainCity Housing provides housing with support services to 40 residents at 749 School Road. As the operators of this site, we are committed to building and maintaining strong relationships with our neighbours and ensuring we are actively contributing to a safe, healthy and inclusive neighbourhood.

In order to stay in close communication with our neighbours, we are establishing the School Road Housing Community Advisory Committee, which serves as a forum for the community and RainCity to come together to:

- Build and maintain positive relationships amongst the community, the building operators and the program partners
- Facilitate information sharing and dialogue
- Identify and resolve any issues, opportunities and concerns related to the building

We would like to invite you to apply for one of the five Community Representative seats on the Committee. We are planning to meet virtually in late January, following COVID-19 limits on gatherings.

Community member representation will be filled through an application process with preference given to a person who:

- is willing to abide by the Committee Terms of Reference and required time commitment
- is currently affiliated with multiple community organizations
- has experience representing their community on other committees/boards, etc.
- lives and/or works within a five-block radius of the housing site.

Please review the attached draft Terms of Reference and if you would like to be considered for a Community Representative seat, please complete the attached application form and send it back to me by Friday, January 15th.

We look forward to hearing from you.

Sincerely,

Mandy Hardwick
