Town of Gibsons Lifts Stop Work Order at Gospel Rock

May 26, 2021 – The Town of Gibsons has lifted the Stop Work Order at the Gospel Rock – Block 7 development.

The Stop Work Order was implemented on December 21, 2020, following a breach of a condition of one of the site’s Development Permits. Since then, the developer has been working closely with Town staff to implement tree protection measures to ensure that the development proceeds as proposed.

“We are satisfied that all the conditions outlined in the Gospel Rock – Block 7 Development Permit will be met,” said Lesley-Anne Staats, Director of Planning for the Town of Gibsons.

“Accordingly, work may now proceed at the site as planned.”

For more information about the Gospel Rock development, please visit: gibsons.ca/block-7-gospel-rock.
