

2023-2027 STRATEGIC PLAN AT-A-GLANCE

Lenses

**Climate
Resiliency**

**Sustainable
Service Delivery**

**Social
Equity**

**Effective
Decision-Making**

Priorities & Goals

Leadership

1. Update critical plans and bylaws, and governance processes, to reflect current community needs and best practices in organizational excellence.

2. Deliver strong and sustained advocacy for our community on critical issues that matter to Gibsons residents.

Liveability

3. Enhance transportation options.

4. Strive for social equity in Town governance, planning, procurement and operations.

5. Work toward an attractive, ecologically healthy and economically thriving Harbour.

Affordability

6. Support rental housing.

7. Integrate policing costs into the budget while maintaining financial sustainability, core services and other strategic objectives.

Natural Assets

8. Implement climate resilience measures through Natural Asset Management.

9. Ensure aquifer and watershed protection to continue to deliver safe and sustainable water supply to the community.

10. Offer clear communications, community engagement and regional leadership regarding water supply, climate resilience, and Natural Asset Management.
