

INFILL HOUSING

Design Competition

Want to help Gibsons meet our housing needs?

The Town of Gibsons is hosting an Infill Housing Design Competition.

Residents of British Columbia are invited to submit thoughtful and innovative designs for small lot (3–4 unit) and long lot (5–6 unit) infill housing, with a maximum of 4 units per building.

Winning designs will be featured by the Town of Gibsons, and marketed as pre-reviewed infill housing designs, streamlining the approvals process for applicants.

Submit your
designs by
March 10,
2025

1st
place

\$2,500 prize
for each
category

2nd
