**ARMOURS BEACH IMPROVEMENT PROJECT**
BUILDING AN ACTIVE HEALTHY COMMUNITY TOGETHER!

Community Partners...

- Gibsons Rotary Club

- Town of Gibsons

- Elphinstone Secondary Interact Club

Armours Beach Improvement Project

- In 2018 Gibsons Rotary in collaboration with the Town of Gibsons and Longman Developments Ltd. completed Phase 1 of the Armours Beach Shoreline Improvement Project including washroom facilities, an accessible pathway, landscaping and picnic tables.

- Now Gibsons Rotary wants to build Phase 2 of the Armours Beach Improvement Project with a focus on marine park improvements.

Armours Beach Today

Armours Beach – Phase 2

Additional Design Elements

- Small slide

- Diving board

- Kayak / paddle board storage rack

- Sheltered beach area raked of rocks / imported sand

Community Benefits

- Sheltered safe space for moms & tots to swim

- Active outdoor summertime space for teens

- Easy marine access for adults and seniors to swim, launch paddle boards, kayaks, etc.

# Environmentally Sensitive Design

- No marine micro plastics due to high-density polyethylene (HDPE) pontoon construction (No Styrofoam!)

- Minimal eelgrass shading due to single dock design and no moorage

- No erosion or benthic impacts due to suspended "Eco-Mooring Lines" where concrete blocks are needed

Want to Contribute? Here's how...

- Donate to the ***Armours Beach Improvement Project Go-Fund-Me Campaign*** co-led by Gibsons Rotary and the Elphinstone Secondary Interact Club
