Elector Qualifications

Additional Information About Elector Eligibility

In order to sign an elector response form in relation to the alternative approval process, a person must either be a resident elector or a non-resident property elector.

A **resident elector** is an individual who is entitled to sign an elector response form during an AAP by virtue of living within that jurisdiction. *When signing an elector response form*, a resident elector must:

- be 18 years of age or older;
- be a Canadian citizen;
- have been a resident of British Columbia for at least six months;
- be a resident of the jurisdiction (e.g., municipality);
- live in the area defined for the AAP; and,
- not be disqualified under the *Local Government Act*, or any other enactment from voting in a local election or be otherwise disqualified by law.

A **non-resident property elector** is an individual that does not live in a jurisdiction and who is entitled to sign an elector response form during an AAP by virtue of owning property in that jurisdiction. *When signing an elector response form*, a non-resident property elector must:

- be at least 18 years of age;
- be a Canadian citizen;
- have been a resident in British Columbia for at least six months;
- be a registered owner of property in the jurisdiction (e.g., municipality) for at least 30 days;
- own property in the area defined for the AAP; and,
- not be disqualified under the *Local Government Act*, or any other enactment from voting in a local election or be otherwise disqualified by law.

Note: Only one non-resident property elector may sign an elector response form per property, regardless of how many people own the property; and, that owner must have the written consent of a majority of the other property owner(s) to sign the response form on their behalf.

Property owned in whole or in part by a corporation does not qualify under the non-resident property elector provisions.
