

Strategic Plan Progress Tracker - Last Update: April 2026

1. Climate Resiliency: We will apply a climate resiliency lens that ensures climate adaptation and mitigation are at the forefront of everything we do, including our innovative work in Natural Asset Management.

2. Sustainable Service Delivery: We will responsibly manage our finances and assets, maintaining our natural and engineered infrastructure, and ensuring fiscal sustainability and efficiency of core services and the upcoming cost of policing.

3. Social Equity: We will always consider how government policies, Town processes and priorities, and community input and representation should promote the interests of all our residents and stakeholders, not just those most advantaged.

4. Effective Decision-making: Governance of the Town of Gibsons will be guided by evidence-based decision-making and strategic planning, informed by more accessible and effective opportunities for public input and participation.

Objectives	Status	Department	Notes
LEADERSHIP			
GOAL 1			
Update critical plans and bylaws, and governance processes, to reflect current community needs and best practices in organizational excellence.			
1.1 Update the Official Community Plan with a focus on water supply and housing needs.	Complete	Planning	The project was awarded to McElhanney Ltd. and work on it begun in 2024. A Residents Assembly, lead by SFU, submitted its report to Council in May of this year. Community-wide engagement, including engagement with the Squamish Nation progressed in 2025. Public hearing held January 6; OCP adopted Jan 6.
1.2 Update Zoning Bylaw in coordination with the OCP Update.	Complete	Planning	ZB adopted Jan 20, 2026
1.3 Partner with the Sunshine Coast Regional District to establish a Fringe Area Plan for Aquifer 560.	In Progress	Planning	Watershed Agreement in place. Planning and Infrastructure staff from both organizations are working on drafting a Fringe Area Plan and or completing a systems' optimization study. On July 11, 2024, Town staff presented a series of recommendations to the SCRCD Board, providing feedback on the draft Regional Water Strategy. See the complete submission here . Monitoring Program expansion project is complete. A One Water system optimization study has been finalized and shared with the SCRCD.
1.4 Update Development Permit Areas 1, 2, and 9.	Complete	Planning / Infrastructure	Incorporated in the OCP. OCP Adopted January 6, 2026.
1.5 Update the Town's Public Participation Toolkit and fully implement it into Town processes.	In Progress	Corporate	Draft Toolkit update completed, being revised internally. Process of annual Budget Dialogue, especially, being refined over the term with very successful attendance and engagement.
1.6 Public participation training for staff and Council.	Complete	Corporate	A group Public Engagement for senior leaders workshop was held for staff and Council in Nov 2025. Some staff have received additional training. There is budget available to support an online training opportunity. Staff will continue their training as needed.
1.7 Approve a new Council Code of Conduct.	Complete	Corporate	Completed in 2023. (Province may be taking away autonomy from council to have their own Codes of Conduct; currently being considered in legislature.)
1.8 Establish a framework of personal growth planning for organizational development and excellence.	In progress	HR	The Town's current Performance Management System is under review with a full revision planned as staff capacity allows. The revised program will include a focus on the Town's foundational principles, professional competencies and personal goal setting that aligns with departmental goals and objectives.
1.9 Clarify our governance roles and delegation of authority.	Complete	Planning/ Corporate	To be done in conjunction with DPA Updates project. Council/Staff Workshop completed December 10, 2024. Delegation of Authority Bylaw 1336, 2025 was drafted and presented to Council which repeals "Town of Gibsons Development Permit Delegation Authority Bylaw No. 1054, 2007" and all amendments thereto. Bylaw 1336, 2025 received 1st, 2nd, and 3rd readings. Adopted January 6, 2026.
GOAL 2			
Deliver strong and sustained advocacy for our community on critical issues that matter to Gibsons residents. Advocacy will include:			
2.1 Coast-wide housing & homelessness supports and accountability.	Complete & Ongoing	Council	Full-time Homelessness Outreach Program (HOP) awarded by BC Housing in 2024, via advocacy. Received Housing Accelerator Fund (many municipalities did not...) First roll-out of BC Builds a significant achievement, with childcare. Successful advocacy for 35 CBCHB housing subsidies Coast-wide. Launch of Situation Table in 2025. Everybody Deserves a Home manages 5 housing units directly, as well as Smith's Boardinghouse (created two new units there for total of 13). Awarded federal "Raising Home" funding in 2026 to expand EDH.
2.2 Long-term care, hospice support, mental health & addictions, treatment & recovery.	Complete & Ongoing	Council	20 Complex Care beds awarded to Sechelt greatly due to our advocacy (but taken away in 2026). Multiple letters and meetings with VCH and MOH about long-term care, including with employees and residents to advocate re: Silverstone. 4 meetings with MHA about mental health & addictions support. Successfully advocated for funding for Cover the Coast addictions recovery needs assessment. Working with Together We Can to expand their recovery program to Coast. Supported new Hospice location at Mossy Rock, including via mayor's leadership at Hospital Board. Constant advocacy to VCH and MOH for long-term care expansion, including January 2026 letter to Ministers of Health and Infrastructure.

Objectives	Status	Department	Notes
2.3 Childcare expansion, affordability and workforce.	Complete & Ongoing	Council	Childcare funding approved for spaces at Shaw Rd. Support for Huckleberry expansion downstairs. Significant childcare advocacy in Fall 2025 when IT program was shut down at Gibsons YMCA. Ongoing monthly meeting with Province, YMCA, SD46 since...Ongoing participation by Council on Joint Childcare Council. Federal advocacy for support for Temporary Foreign Workers (and Permanent Residency track) in childcare.
2.4 Relaxation of policing downloading formula.	Complete & Ongoing	Council	Two letters, several meetings with Solicitor General, including in collaboration with Cumberland. Commitment to make changes to this formula but not until 2026. Support for Pemberton motion at LMLGA. Continuing advocacy MLA but not much pick-up there. Realistically, we are now in a position of working with RCMP and PSSG for the softest (financially) transition possible in 2027.
2.5 Investigation of including Town in Speculation & Vacancy and Empty Homes taxes.	Complete	Council	Raised to MOF at UBCM, not much transparency/interest from them. Has been extended to some other communities, but not in most recent budget. MOF expressed preference for extending it to the region, not just Town in 2024. In 2025, MOF said Town could write a letter requesting the SVT—this is an option for next Council, maybe something to discuss in election.
2.6 Support for our current central recycling drop-off model enhanced by the option of subscription recyclables collection and delivery to our local depot.	Complete	Council	Brought this to UBCM. Work with SCR D on a new recycling depot/resource recovery model & site seems to have stalled. Completed provincial questionnaire on this topic, suggesting Province is moving toward action. The depot has survived and thrived through this term; OCP and Zoning Bylaw preserved depot use on present property.
2.7 Fair & equitable recreation service from the SCR D.	Complete	Council	Some advocacy took place regarding delivery of seniors' programs at Gibsons pool early in term, followed by input to SCR D staff of lifeguard attraction and retention. Strong support for junior hockey, and support for seniors' hockey in Gibsons. Support for integrating robust asset management plan into recreation function in 2026 budget.
2.8 Federal (CBC) public release of <i>The Beachcombers</i> to promote local culture and history.	Complete & Ongoing	Council	Many angles on this discussed, brought it to MP Weiler but political advocacy to CBC has proved challenging due to its independence. Recruited strong support from the Province. Two seasons of episodes will be made available on Knowledge Network in summer 2026, as a great start.
LIVEABILITY			
GOAL 3			
Enhance transportation options.			
3.1 Work with the SCR D and BC Transit on establishing a new BC Transit route connecting Upper and Lower Gibsons.	Complete & Ongoing	Planning	Advocacy at SCR D and BC Transit have resulted in local support for frequency increase for Route #90 through Gibsons, and the prioritization of a new Route #5 around Gibsons to the Expansion Plan, which has been supported by the SCR D, in 2026 budget. However provincial support has been denied until at least 2027.
3.2 Update Active Transportation Network to plan for expanded safe routes and infrastructure to support diverse ages and users.	Complete	Planning	Active Transportation Network Plan completed.
3.3 Support establishment of a passenger ferry to support workforce and tourism.	Complete	Corporate	Town is working with Gibsons landing Harbour Authority and CIRQL Ferries to establish a permanent Charge Barge in the harbour that will power future fully electric vessels. Earlier this year, a grant application was submitted under the federal Green Shores program. In August of this year, BC Hydro has agreed to fund the a technical and commercial viability analysis for installing the charge barge, specific to Gibsons Harbour. Charge barge funding approved by federal government 2026. Town has applied to REDIP for Five Corners upgrades that will help support transportation connection
3.4 Review and expand Electric Vehicle and E-bike charging station network.	Complete	Infrastructure	Council approved entering into an agreement with BC Hydro for an EV charging station at the GACC parking lot, in coordination with the SCR D. The project is now complete.
3.5 Advocate for BC Ferries service expansion and consideration of resident priority loading.	Complete & Ongoing	Council	Ongoing meetings and communications with BC Ferries staff, including CEO, and BC Ferry Authority. Advocacy for unprecedented performance review of Route #3 successful, released February 2026. Council supporting initiation of our our Ferry Advisory Committee in Spring 2026.
3.6 Advocate for MOTI Alternate Route and Highway 101 Active Transportation.	Complete & Ongoing	Council	Alternate Route plan completed and made public in 2025; provincial funding for it seems unlikely in short term. MOTT completed internal plan for to improve pedestrian safety and active transportation on Hwy 101 through town to Lower Rd., with advocacy to expedite safe pedestrian crossings Poplars and Woodcreek Park successful in 2025/26.
GOAL 4			
Strive for social equity in Town governance, planning, procurement and operations.			
4.1 Entrench sustainable procurement into the Town's procurement process, with measurable community benefits communicated to the community and active participation in the BC Social Procurement Initiative.	In Progress	Finance	Policy 1.16 was updated in October 2022 to provide environmental, social and cultural principles to be applied to procurement. Staff participation in BCSPI training workshops has further supported integration into Town procurement. Future policy revisions may be considered to reflect specific components of these principles that can be measured and tracked. A major rewrite of the Town's procurement policy is also under consideration.
4.2 Recognition of the importance of reconciliation, culture and history of the Sk̓wx̓wú7mesh Úxwumixw through the art that already exists in the community, with a vision to encourage and incorporate additional elements of Sk̓wx̓wú7mesh art with consent and assistance of the Sk̓wx̓wú7mesh Úxwumixw and artists.	Complete	Council	Squamish Nation portion of Art Path (partnership with GPAG) has been awarded and is being installed. Tourist Information Centre in progress. Possible inclusion in Persephone project is also being considered. On June 18, 2024 Mayor, Council and the full complement of staff attended a half-day session title The Paddle Journey, led by Squamish elder Faye Halls and her daughter Candace Halls-Howcroft. https://www.thepaddlejourney.com/
4.3 Meaningful engagement, employment opportunities and outcomes for Indigenous partners in project implementation and learning.	Planned	Corporate	Options are being explored in Climate Change, Emergency Planning and Heritage Conservation. Substantive work has taken place to consider our alignment with the Sk̓wx̓wú7mesh Úxwumixw Climate Legacy Strategy, and has been communicated to the Nation and positively received.

Objectives	Status	Department	Notes
4.4 Continue to expand the Everybody Deserves a Home Gibsons program to meet homelessness needs, including by maintaining a provincially funded outreach position.	Complete	Corporate	In partnership with BC Housing, the Town funds a Homeless Outreach Coordinator position. Recently, BC Housing increased the funding for the program to cover a full-time position, going forward.
4.5 Collaborate regionally on the Poverty Reduction Plan and associated Social Planning.	Complete	Council	The Town supported a regional funding application which was approved by UBCM. The Community Resources Centre, based in Sechelt, conducted the work proposed on behalf of local governments on the Coast, completed in 2024.
4.6 Partner with non-profits, School District 46, Capilano University, the SCRD, and provincial government to expand childcare spaces and workforce in the Gibsons area, including by participating on the Sunshine Coast Joint Childcare Council.	Complete & Ongoing	Council	The Town has renewed its Lease agreement with the Huckleberry Child care Society to continue providing child care support services in the Arts Building. Additionally, the Town is working with province and with the SC Affordable Housing Society to build additional child care spaces at 571 Shaw Road site. Childcare spaces offered in multiple developments as amenities. The second phase of the project, which includes the child care spaces, broke ground on September 6, 2024. Multiple developments approved featuring childcare, inc. 718 North, 835 Gibsons Way, Lots A & C Gibsons Way. Regular liaison attendances at Joint Childcare Council.
4.7 Engage Gibsons youth through supporting and empowering the Youth Representatives on Council.	Complete	Council	Great success of program in regular attendance, engagement, success of Free Student Transit and advocacy provincially. Showcase of program at AVICC. Student attendance at AVICC and UBCM.
4.8 Embrace the Town's Social Equity lens in all our operations, including offering training to assist staff in supporting residents in mental health and addictions.	Complete & Ongoing	HR	In November 2023, several staff participated in the regional "Mental Health First Aid" training. In addition, for the past two years, the Town has participated in the "Not Myself Today" program which raises awareness of mental health in general and provides staff tools to help improve their own mental health and be better equipped if encountering someone with a potential mental health issue in the workplace. Staff coordinated and celebrated the third annual Mental Health Week with a shared focus on National Safety and Health Week. The objective of this campaign, specifically related to Mental Health, is to reduce the stigma so often related to mental health, build resiliency and educate staff. The week consisted of a variety of initiatives with this year's campaign theme being "compassion." Shift in Permissive Tax Exemption approach to support social contributions.
4.9 Help to complete the regional Accessibility Plan as mandated by the provincial government.	Complete	Planning	Planner assigned to attend meetings and support Plan as needed. The draft Plan was endorsed by the Sunshine Coast Regional Accessibility Advisory Committee and brought forward to Councils for the District of Sechelt and Town of Gibsons, who both endorsed the plan. Plan endorsed by all three local governments in 2026.
GOAL 5 Work toward an attractive, ecologically healthy and economically thriving Harbour.			
5.1 Collaborate with the Gibsons Landing Harbour Authority on Harbour enhancement.	Complete	Corporate	The Town is working closely with the Harbour Authority and Small Craft Harbours on upgrades to the wharf approach, improvements to water and sewer services and considering installing a charge barge to provide electrical charging to future electric boats. GLHA significant Bylaw revision in 2024
5.2 Collaborate with Marine Education Centre on the Healthy Harbour Project and actively participate in the Átl'ka7tsem Howe Sound Community Forums.	Complete	Infrastructure	The BlueAct Marine Society (formerly NSMEC) and the Town signed the Services Agreement for 2024-2027. Town staff have begun the planning process with the Conservation Manager from BlueAct for the term of the agreement.
5.3 Update Recreational Water Lease Bylaw.	Planned	Planning	Extending harbour monitoring program with Marine Education Centre. A management plan, including emergency response protocols was reviewed and updated at the GLHA and supported by DFO, in order to improve safety and environmental management of the harbour area. The Recreational Water Lease Bylaw update is expected to be presented to Council this summer (2026).
5.4 Implement the Gibsons Foreshore and Seawalk Improvements Conceptual Design.	In Progress	Infrastructure	Town was awarded two million dollars to complete the project improvements to the foreshore between Armours Beach and the Gibsons wharf. Detailed design is progressing on the most critical section, between the wharf and the Cole's Marine access property. Construction is planned for fall of 2026.
5.5 Complete upgrades at the "Five Corners" area for a pedestrian-focused plaza space.	In Progress	Infrastructure	Design work is complete, but construction did not proceed due to budget constraints. A grant application was submitted in fall of 2025 to complete Pioneer Park washrooms and stairs to access from Marine Drive to the foreshore.
5.6 Develop and implement a cohesive wayfinding signage plan.	In Progress	Communications	Lower Gibsons directional sign replacements were completed in 2025. Further wayfinding signage for Upper Gibsons will continue in 2026.
5.7 Preserve and return <i>The Persephone</i> to the Harbour Area for public display.	In Progress	Admin	Work is underway to restore the vessel, with support from BC Ferries, local businesses and contractors. Progress has also been made to develop a site plan for the identified new home for the Persephone, on the northeast corner of Holland Lands, with plans to move the boat there in late spring, 2026. A substantial grant application was made to the REDIP grant but was unsuccessful. Significant effort put into fundraising campaign.
5.8 Pursue any opportunities to support the preservation and restoration of Stonehurst and Molly's Reach.	Complete	Planning	Stonehurst plans on hold for the foreseeable future, but significant progress made on heritage designation of the historical building, including via engagement with Heritage Society and Museum. Statement of Significance received on July 23/25 Council agenda. Now that Molly's Reach restaurant has been successfully taken over by Black Bean, owners of the building are very committed to keeping it in the family, and have been working with Black Bean on fixing up the building significantly. 100th Anniversary of building celebration will take place at the end of May. Smith family has voiced commitment to preserving heritage of building going forward, and has strict conditions in its lease for preservation of Molly's facade, etc.
5.9 Pursue opportunities for public art.	Complete	Council	Public Art Path complete, except for Squamish Nation portion. Through Mayor's encouragement, Public Art Committee restarting under administration of GPAG.
AFFORDABILITY			
6 GOAL 6 Support rental housing.			
6.1 Complete Shaw Road Affordable Housing Project Phase #1	Complete	Admin	Construction complete for phase 1 of the project. A second phase is now under construction and it includes child-care spaces as well.
6.2 Complete Kiwanis Housing expansion project	Complete & Ongoing	Infrastructure	Phase 1 is completed and occupied. Work continues on phase 2.

Objectives	Status	Department	Notes
6.3 Initiate three more non-profit projects this term.	In Progress	Council	1) Phase 2 of Shaw Rd initiated, approved, will be completed in late summer 2026. 2) Phase 3, but with Kiwanis, initiated and supported by Council for Community Housing Fund application in summer 2025. CHF cancelled by provincial government, but shovel-ready project looking for other funding activities via Kiwanis. 3) Affordable Housing Society has taken a renewed interest in a new project as of 2026 Discussions ongoing with School District 46, Giobsons Legion, Habitat for Humanity, Salvation Army, Vancouver Coastal Health... Introduction of non-profit affordable housing to Civic-Institutional zoning in new OCP/ZB should help.
6.4 Support market rentals and explore incentives to create them.	Complete	Planning	Council approved a reduction of utility and garbage collection fees for secondary suites to support housing affordability. ToG continues to work with developers to encourage rentals, and is prioritizing rental housing development applications. ZB updated to allow density bonuses for rentals. Council has approved over 300 market rentals this term.
6.5 Encourage secondary and accessory suites.	Complete	Planning	Included in the OCP / ZB update. Council adjusted utility rates to support single sewage and garbage collection fees to homes with secondary suites.
6.6 Support accommodation in RVs, mobile homes, tiny homes and other accessory dwellings, including through zoning, fringe area planning and simplifying the Garden Suite program.	Complete	Planning	This work is included in the OCP / ZB update work currently in progress.
6.7 Regulate short-term rentals in balance with long-term rental needs.	Complete	Planning	This work is included in the OCP / ZB update work currently in progress. Council workshop on STRs occurred December 10, 2024.
6.8 Streamline development approvals for non-profit housing projects to "shovel-ready" eligibility for funding.	Complete	Planning	Non-profit projects being given top priority by planning, followed by rentals. Housing Affordability Fund (HAF) work may further help to streamline approval processes. This work is ongoing
GOAL 7 Integrate policing costs into the budget while maintaining financial sustainability, core services and other strategic objectives.			
7.1 Focus on core municipal responsibilities in budget.	Complete	Council	Asset management focus has continued throughout term.
7.2 Increase Policing Reserve fund by 5% every year of term.	Complete	Council	Sufficiently complete by 2025.
7.3 Work with the Sunshine Coast detachment to ensure continued levels of service during transition period.	In Progress	Council	Regular meetings with RCMP, good communications being maintained.
7.4 Reconsider Grants of Assistance and Property Tax Exemption programs to align with strategic objectives.	Complete	Council	Grants of Assistance program rescinded. Permissive Property Tax Exemption approach transformed in 2024.
7.5 Support containment and reduction of rising costs and taxation at the SCRD.	Complete	Council	Costs not contained but we have consistent record of speaking and voting against increases, over three budgets. Some progress in 2026 in getting SCRD tax increase down to single digits.
NATURAL ASSETS			
GOAL 8 Implement climate resilience measures through Natural Asset Management.			
8.1 Update Development Permit Areas to strengthen the protection of natural assets i.e. creeks, riparian areas, forests, and foreshore.	Complete	Planning	The new Environmentally Sensitive Areas (ESA) Development Permit Areas (DPA), new Geohazard DPA, new Aquifer DPA
8.2 Implement recommendations from the Source to Sea and the Coastal Resilience projects.	In Progress	Infrastructure	Source to Sea project recommendations currently underway include advancement of a stormwater utility, communicating and building awareness of the service delivery of the Watershed and addressing data and information gaps, building understanding of the hydraulic connection between surface and ground water to support aquifer protection, and strengthening collaboration with the Squamish Nation. The Coastal Resilience project results are being used to inform the Foreshore Restoration project.
8.3 Continue exploring natural infrastructure solutions for climate adaptation such as the White Tower Pond system and the Lower Watershed project.	Complete & Ongoing	Infrastructure	Current focus is on active projects and critical asset replacement/upgrades. A grant application was submitted to FCM's Green Municipal Fund to enhance the southern portion of Whitetower Park property to provide outdoor cooling space during extreme heat events, and install emergency supply benches for the community.
8.4 Embed Natural Asset Management into fringe area planning and natural service expansion outside our current boundaries.	In Progress	Infrastructure	Aquifer 560 Watershed Agreement between the Town and the Sunshine Coast Regional District. Staff presented to the SCRD Board on the Town's natural asset approach to managing Aquifer 560, and with recommendations for consideration regarding the SCRD water system. Engineering consultants have compiled data gathered from both organizations, and are developing the final report.
8.5 Complete an Urban Forest Plan to balance growth with our need to support tree canopy.	Complete	Infrastructure	The Urban Forest Plan and the supplementary Implementation Plan, have been endorsed by Council.
GOAL 9 Ensure aquifer and watershed protection to continue to deliver safe and sustainable water supply to the community.			

Objectives	Status	Department	Notes
9.1 Collaborate with the Squamish Nation on leading local water governance and watershed security.	In Progress	Council	A Council to Council meeting was attempted as part of the Orientation of the new Squamish Nation Council. We pitched a joint application to the Watershed Security Fund for Phase 1 collaboration but it was rejected by Squamish Nation staff in favour of an application to revitalize Gibsons Creek (no word yet on whether it was successful).
9.2 Investigate the upper reaches of the Chaster Creek and Gibson Creek watersheds to assess the recharge characteristics of Aquifer 560 and its component aquifer lobes.	Complete	Infrastructure	Staff worked with Waterline Resources to complete an update to the Aquifer Leapfrog Model with new data from both the Town and the SCRCD. More information was obtained from DPA9 investigations and the Town's expansion of the monitoring program.
9.3 Install additional monitoring wells to further characterize the Capilano Aquifer and the confining unit of Aquifer 560.	Complete	Infrastructure	Drilling of the monitoring wells was completed in January 2024 and will be monitored as part of the broader program in place.
9.4 Continue with the monitoring program of Aquifer 560, precipitation in the watershed and creek flow.	Complete	Infrastructure	Data collection is ongoing, consultant has compiled data and has updated the aquifer model. The consultant is preparing a report summarizing the update which will be presented to Council once ready.
9.5 Develop a Watershed Management Area Plan to enhance the protection of Aquifer 560, including: Risk Management Policy Water Sustainability Plan Groundwater Sustainability Assessment Wellhead Protection Plan Emergency Response Plan	Planned	Infrastructure	Staff are reviewing priorities and departmental capacity for 2026 and will develop a strategy for how best to complete the various plans that contribute to a Watershed Management Area Plan
9.6 Implement the recommendations of the 2021 Aquifer Mapping Study Update.	Complete	Infrastructure	The project was completed in Q1 2024.
GOAL 10 Offer clear communications, community engagement and regional leadership regarding water supply, climate resilience, and Natural Asset Management.			
10 Take a regional leadership role in aligning our water supply assets at the ecological rather than the political boundaries, through responsible co-management with our regional partners.	In Progress	Council	Watershed Agreement in place. Planning and Infrastructure staff from both organizations are working on drafting a Fringe Area Plan and or completing a systems optimization study. On July 11, 2024. Town staff presented a series of recommendations to the SCRCD Board, providing feedback on the draft Regional Water Strategy. See the complete submission here
10 Continually inform the public on water use and conservation measures and provide regular updates on the state of the Aquifer.	Complete & Ongoing	Communications	A dedicated water information webpage has been developed. Regular updates on aquifer health, water availability and water usage are shared on a monthly basis from May to October. Town vehicles have been equipped with new "Water FAQ" decals directing people to the water webpage. During water regulations, the information is easily accessed and displayed on the homepage. A community dialogue session on Aquifer Protection is being planned for April 23, 2026 at the Gibsons Public Market.
10 Develop a Low Carbon Resilience Climate Action Plan (LCRCAP) to reduce community-wide consumption and GHG emissions.	Complete	Infrastructure	Project is nearing completion. Staff will present final report with the Plan in Q1 2026.
10 Create a Corporate Climate Action Plan (CCAP)	Complete	Infrastructure	Staff presented the final report in Q4 2024
11 Implement Community Dialogues on Climate Resiliency.	Complete	Council	Partnership with BlueAct Marine Society being considered in 2025 Budget.
11 Continue to advocate for water metering and volumetric billing at the Sunshine Coast Regional District.	Complete	Council	SCRCD making great progress on these items.
